

TECHNICAL SKILLS

PHP • Laravel • MVC Design Pattern • JAVA • Spring Boot • Hibernate • JDBC • HTML • CSS • JavaScript • Bootstrap • Thymeleaf Git & GitHub • Maven • SQL • MySQL • phpMyAdmin • cPanel • Postman • XAMPP • Apache Tomcat

WORK EXPERIENCE

Sparsa Digital, Gurugram

- Full Stack Developer

01/2025 – Present
- Architected a secure and scalable **HRMS database**, implementing **role-based access control** and **RESTful APIs** for seamless mobile application and **ERP** integration, resulting in a 40% reduction in administrative overhead.
 - Spearheaded the development of a comprehensive HRMS encompassing **attendance, leave management, payroll, and employee records** using **Laravel** and **MySQL**, servicing **1000+ employees** and ensuring efficient HR operations.
 - **leading the development of Smart TV applications for Tizen and WebOS platforms**. Simultaneously Responsible for maintaining and enhancing the HRMS by adding new features and improvements.

Ambition Host, Jaipur

- Full Stack Developer

01/2024 – 12/2024
- I played a pivotal role in the development of **domain & hosting web application**, utilizing a robust stack of technologies including **PHP, Laravel, SQL and MVC** design pattern. Collaborated with a cross-functional team of **designers, developers, and project manager** to brainstorm, plan, and implement over **10 features and functionalities**.
 - **Optimized application** performance by identifying and addressing 2+ critical bottlenecks, and fine-tuning 7+ database queries. Successfully resolved 2+ critical bugs/issues, ensuring the stability and reliability of the application/system.

PROJECTS ([VIEW ALL PROJECTS](#))

- [Semi-Automated Payment Gateway](#)

[JAVA • SPRINGBOOT • HIBERNATE • MAVEN • MySQL • THYMELAEF • LOMBOK]
- Effortlessly verify transactions, generate **dynamic QR codes and payment links** & enable seamless payments. Funds are promptly added to user wallets upon successful transactions, boasting a **success rate exceeding 99%** and a user satisfaction rate of **100%**.
- [Customer Support System](#)

[PHP • LARAVEL • MVC • WEBSOCKET • SQL • HTML • CSS • JS • JQUERY • BOOTSTRAP]
- Enabled **real-time chat system** with **auto-conversion** to support tickets if no response is received within 2 minutes, triggering email notifications to keep users informed.
 - Achieved average response time under 2 minutes & maintained a 95% user satisfaction rate through prompt support handling.
- [Smart Invest & MLM Platform](#)

[PHP • LARAVEL • MVC • CRON Jobs • SQL • HTML • CSS • JS • JQUERY • BOOTSTRAP]
- This platform enables **deposits, withdrawals, and P2P transfers**. Users can **create multi-level teams, view hierarchies, manage referrals**, and **access all relevant data** seamlessly. It includes both **client and admin dashboards**. The **system generates 1% daily** returns on investments (**excluding weekends**), ensuring consistent growth for users. Achieving a **98% user satisfaction** rate.

EDUCATION

- B. Tech (CSE), Maharshi Dayanand University, Rohtak (Aggregate – 8.44 CGPA)

2019 – 2023
- Launched over **10 freelance projects**, including a functional **e-commerce website** and feature-rich **cryptocurrency, NGO, MLM** sites, catering to diverse client requirements.
- Intermediate, RHS College (Aggregate – 81%)

2017– 2019

CERTIFICATIONS & ACHIEVEMENTS
